Interior Designer

Job Type: Full-time

Salary: Market related

We are looking for a talented and creative Interior Designer to join our growing team. If you have a passion for transforming spaces, an eye for details, and a flair for creating stunning interior designs, we want to hear from you. This is a fantastic opportunity to work on diverse projects and make a significant impact in the world of interior design.

Responsibilities:

- Collaborate with clients to understand their requirements and preferences.
- Develop innovative and aesthetically pleasing interior design concepts that align with the clients vision and budget
- Create detailed 3D design rendering and mood boards to present to clients using SketchUp
- Select and source furniture, materials, finishes and accessories to complement the design concept
- Prepare and present design proposals, including cost estimates and timelines
- Ensure projects are delivered on time, within budget, and meet the highest quality standard
- Stay up to date with industry trends, materials, and emerging design techniques.

Requirements:

- Proven experience as an Interior Designer or similar role in the interior design industry.
- Strong portfolio showcasing a diverse range of interior design projects
- Proficiency in using design software such as SketchUp
- Excellent knowledge of material, finishes, and current design trends
- Ability to motivate and inspire a team
- Creative flair, with a keen eye for details and aesthetics
